DETAILED ACTION

1. This office action is in response to a communication mailed on 12/19/08. Claims 1, 3-13, 15-22 and 28-29 are pending. Claims 2, 14, 23-27 and 30 are canceled.

Response to Arguments

2. Applicant's arguments with respect to claims 1, 3-13, 15-22 and 28-29 have been considered but are moot in view of the new ground(s) of rejection.

Claim Rejections - 35 USC § 112

3. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

4. Claims 1 and 3-12 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.
5. Claim 1 recites "a computer readable medium encoded with a computer program executable to perform actions comprising".

The above claim language is inappropriate as actions or steps should be preceded by computer instructions. For example, one can state as acceptable language, "a computer readable medium having computer instructions for performing steps or actions ..."

Claims 3-12 are rejected because they depend on claim 1.

Allowable Subject Matter

6. Claims 13, 15-22, and 28-29 are allowed.
7. Claims 1 and 3-12 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

Conclusion

8. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
